SUNDAY IN BROOKLYN

LITTLE CREATIVE FACTORY

Handwritten blue text in a stylized, cursive script, possibly reading "We are the future".

High St
Brooklyn
Bridge

Handwritten blue text in a stylized, cursive script, possibly reading "We are the future".

Trochut's urban free style lettering pushes language to its limits so that seeing and reading become the same action and text and image, one unified expression.

“Become so absolutely free that your very
existence is an act of rebellion”

Albert Camus

INSTANT

**High St
Brooklyn
Bridge**

SUNDAY IN BROOKLYN

It's Sunday in Brooklyn and the outdoors is calling. Me and my skate gang are working on a strategy for escape. We need to break out of our comfort zones, the home walls that protect us and hit the big outdoors. We crave power slides and curb sharks, we want to make the impossible possible, we want to roll with the wind. So we crack the code and head out. Together we are grinding down the sidewalk ready to throw a fast plant, a grom, to make the transition. There is no limit to our imagination, the skies are big and this is where the magic happens. Life begins at the end of your comfort zone and we dare each other to go there.

HAVE YOU GOT ROOM TO SKATE?
THERE'S ALWAYS ROOM FOR IMPROVEMENT

The Sunday in Brooklyn collection fuses classic retro with a modern street style in experimental, playful expressions. It celebrates the big outdoors, the world that is our collective room, our mutual home. It is a nod to the mods, the punks, the rebels and graffiti artists who shifted perceptions and broke old models to make way for new ones.

Skate Board
into ACTION

Fantastic hoodies with edgy graffiti and oversize sweaters with bold letter prints sit over faux leather pants and soft tricot leggings. Black and white check coats with a hint of retro in classic LCF designs clash perfectly with our canvas overalls and stonewash denim pieces. Voluminous quilted coats make a come back in black and Klein blue as does out transparent raincoat but this time with a funky original print design. Our garments are designed to encourage movement, motion and life outdoors.
